

Prototype Rails' Attendees Dining Recommendations: A Work in Progress 2nd Edition: December 16, 2018

From Bill Welch:

The Sunrise Diner: A model of a Southern diner, they can do Poached eggs to perfection. Good service they are open for all three meals with comfort food. The desserts are Home Made although not sure if they are baked on the premises. Likely to see other RPM attendees eating there. Service is good with a minimum wait after ordering. About 5-7 minutes from The Hilton. 365 W Cocoa Beach Causeway, Cocoa Beach, FL 32931; 321-783-5647

Florida's Seafood Bar & Grill: Very good food—love the Fritters—and with a large variety of fish in their fish tanks, they have a unique and pleasant atmosphere. It can be crowded which speaks to the quality of food and its popularity so a wait time may be involved. Good variety of entrees with non-seafood choices. About 5-7 minutes from The Hilton. 480 West Cocoa Beach Causeway; Cocoa Beach, Florida 32931

From Jeff Aley & Bruce Smith:

Roberto's Little Havana: Excellent Cuban restaurant. Not far (5 mins – 1.5 miles south of the Hilton); relatively quick. If you haven't tried Cuban food, you should! Authentic Cuban cuisine, large tables for big parties, and excellent service. Favorites include the rope vieja, madras and lamb shank. Souvenir beer glasses are available too. 26 N Orlando Ave, Cocoa Beach, FL 32931-2911

From Jeff Aley

Coconuts on the Beach: Beachfront bar and grill. Not far (7 mins – 1.7 miles); may have a wait. I usually go before or after the convention (not during). Good for lunch outside on the beach. I like their grilled fish sandwiches. Might be too much of a "party atmosphere" on Fri & Sat evenings, depending on your preferences.

IHOP at 3830 N Atlantic Ave, Cocoa Beach, FL 32931-3504 for an inexpensive, tasty and quick breakfast or lunch. It's about 2 miles north of the hotel on the west side of the street. Much better than Denny's, which is closer but to the south of the hotel.

From Andy Carlson

For those who wish to engage in a short walk of about 5-6 blocks, march North of the Hotel until you get to the Publix supermarket parking lot. There is a small Chinese express take-out place that does have two tables for sit down. Food is very acceptable and a car is unnecessary. Tim O'Connor and Ted Culotta agreed with me that we had a good (and inexpensive) meal.

From Bruce Smith

Cocoa Beach Brewing Company This is a very small craft brewery. There is minimal seating, and no food, but BYO food is allowed. Their beers are excellent and would pair well with takeout Cuban food from Roberto's, which is just across the block. 150 N Atlantic Ave., Cocoa Beach, FL 32931-2960, 321-613-2941

Nolan's Irish Pub: Small, but lively. Good shepherd's pie and potent Irish coffee. Service can be a little slow at peak times. Entertainment is included with the price of dinner. On SR 520 about 5 minutes from the Hilton.

Slow & Low Bar-B-Que: It is just a little south of the Hilton on the one way going south at 306 N. Orlando Ave. In nice weather, they have outdoor seating and a semi-outdoor bar. There are a lot of choices for bar-b-que and of course, southern sweet tea.
